

# A Christmas Carol

by Charles Dickens · Best for B1–B2 (Intermediate–Upper intermediate)

Read-along audiobook · B1–B2

Scrooge is one of English literature's most famous misers, and watching three ghosts force him to face his past, present, and future is gripping from the first page. Dickens writes with warmth and urgency, mixing Victorian formality with sudden bursts of humour. The language is richer than a beginner's book but the story pulls you forward, making it a rewarding stretch for confident intermediate learners.
