

# Alice's Adventures in Wonderland

by Lewis Carroll · Best for A1–A2 (Beginner–Elementary)

Read-along audiobook · A1–A2

This is one of the gentlest ways to read your first whole story in English. The sentences stay short, the events are funny and strange, and the same everyday words keep coming back. Because the story is already familiar to most people, you can relax and let the audio carry you from one odd scene to the next.

## What you'll practise

- Past simple verbs as the story is told (fell, ran, said)
- Everyday question forms - 'Who are you?', 'Why is that?'
- Common polite and conversational phrases
- Tap any old-fashioned word to see its meaning

## How to read it — free

Listen to the full narration while you read along — every word above your level is highlighted in time with the voice and explained on tap. No signup, nothing to install.
