

On Liberty

by John Stuart Mill · Best for C1–C2 (Advanced–Proficient)

Read-along audiobook · C1–C2

Mill's 1859 essay is one of the foundational texts of liberal political philosophy, and it is written to be understood — but the sentences are long, heavily qualified, and packed with conditions. Mill builds his arguments slowly and returns to the same ideas from different angles. This is a genuine challenge even for fluent readers, but working through it will sharpen your ability to follow complex academic prose in English.

What you'll practise

- Long subordinate clauses that modify or limit a main claim
- Abstract vocabulary of rights, liberty, authority, and society
- Recognising when a writer is conceding a point before rebutting it
- Tap any philosophical or formal term to see its plain-English meaning

How to read it — free

Listen to the full narration while you read along — every word above your level is highlighted in time with the voice and explained on tap. No signup, nothing to install.
